SOME GOOD NEWS AND SOME BAD NEWS

First the bad news. After eleven years of service with Dri-Print Ms. Rose Morris of the Rerolling Department has announced her upcoming retirement. Rosie is officially considered the first individual to retire from this organization. A surprise dinner was held in the Carteret Holiday Inn in commemoration of this event.

And now the good news. Rosie will be going on a cruise to Nassau/Bermuda for a week. Upon her return she has decided to stay in the Newark area. Rosie will be greatly missed by all individuals within this organization.

SPORTS FLASH

It has been reported that the Dri-Print Pick-up team upset the Dri-Print Regulars 1-0 on a two hitter by Joe Velotti. The Dri-Print Pick-ups, managed by C.J. Lelli will give the Dri-Print Regulars revenge the first week of August, and it seems the game was legally protested to the Warinaco Park Commission by Manager, C.J. Lelli and the protest was accepted.

CONGRATULATIONS!!!

Joan Reyner's daughter Cathleen gave birth to twin girls (Laurine and Joan) on April 18, 1979.

Ray Kalinowski's daughter Mary Ann was married on June 9th.

Dennis Schmidt's wife gave birth to a baby girl.

DRI-PRINT HONORS EMPLOYEES

The 2nd Annual Dri-Print Service Awards Dinner was held at the Coachman Inn, Cranford, N.J. on May 3, 1979. All individuals with five years credited service as of December, 1978 were invited to attend this affair. The turnout was a very favorable one. With approximately 90% of all eligible personnel in attendance. Those employees having celebrated their 5th, 10th, and 15th anniversary with this organization were give awards in commemoration of their anniversary.

The list of speakers included Jerry Fuchs, Edd Butch and John Scala from within Dri-Print; Robert Feeney and John Guagliardo from Teamsters Local 11 and his honor Mayor Daniel Martin from Rahway Township. A visual aids presentation was made by Tony Swain, Marketing Director here at Dri-Print affording all present an insight into the market ability of our products and new techniques used within the hot stamping foil industry.

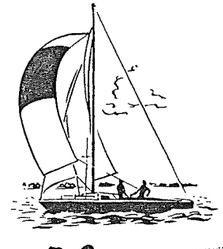
A safety award was presented to the Machine Division, for having accumulated the best safety record during 1978. This departmental award will be handed out to the department with the most favorable accidents per man hours worked on a annual basis.

An award was presented to the pigment coating operators for having made the greatest contribution in our current effort to control waste within the manufacturing group. This award was accepted by Erich Hohenstein on behalf of the employees in this area.

Pictured above, front row: (left to right) John Scala, Safety Director, Ray Thaler, Nick Bravaco, and Ray Kalinowski. Back row: Jerry Fuchs, General Mgr., Harold Glester, and Guenter Strahl, accepting the Departmental Safety Award.

As we approach our annual vacation shutdown, I would like to take this opportunity to wish each of you a most enjoyable and safe vacation. I look forward to welcoming you upon your return.

Jerry Fuchs



President's Award

We are pleased to announce that during a recent Key Management Meeting Jerry Fuchs was presented with the President's Award for outstanding performance. Beatrice Foods presents this award each year to its operating companies that surpass their own performance of the previous year.

2nd Annual Bowling Banquet

The 2nd Annual Bowling Banquet was held June 1st at Stash's in Linden, N.J. Entertainment was provided by the "Perfect Strangers" and everyone seemed to have a good time.

Trophies were awarded to the 1st place team (Sam Baum, Jorge Alcoccer, Norm Jackson, Carol Signs). Accepting trophies for 2nd place were Edd Butch, John Scala, Larry Smith and Joan Reyner.

The men's high series trophy went to Viktor Papke; women's high series went to Carol Signs, (wife of Coating Foreman, Victor Signs). Men's High Average went to Adrian Papke; Women's High Average also went to Carol Signs. Ruth Dugan and Kennie Krug were the most improved bowlers for the year.

Jerry Fuchs accepted the trophy for Dri-Print for sponsoring the league.

The new officers for next year's league were also announced. Bill Lamb, President, Joan Reyner, Vice President, Carol Signs, Secretary, and Jeanne Cuff, Treasurer.

The door prize was won by Dennis Schmidt. Anyone, who might be interested in joining next years league please contact any of the officers mentioned above.

EMPLOYEE EARNS BOATING CERTIFICATE

Kathleen Harris has successfully completed the U.S. Coast Guard Auxiliary course, "Boating Skills and Seamanship."

The classes were held at East Brunswick High School every Monday evening for 13 weeks. The instructors were from Flotilla 43, Highland Park U.S.C.G.A. stationed at the Raritan Yacht Club.

A few of the lessons covered in the 13 weeks course were charting, piloting, marlinspike, weather, radio knowledge. A final exam is given upon completion of the course and on May 14th, Kay was awarded a certificate for passing the exam, thereby completing the course.

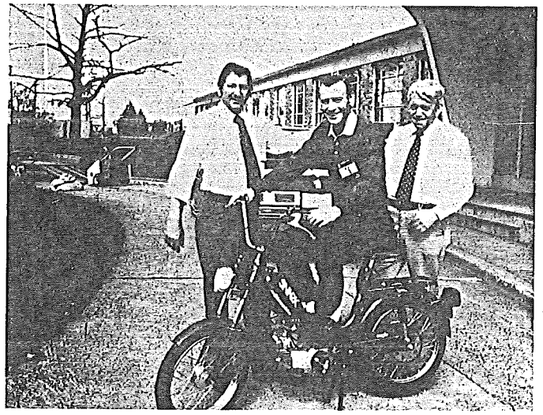
"THE RONZ"

Though he is nicknamed "The Ronz" by some of his friends, and by some of the audiences he sings to, Ronnie Pacansky, goes out to please crowds of people by re-living songs from the good old 50's and 60's. He first became interested in singing with a band while in the Army, and he's been doing it ever since. He really enjoys singing and tries to give it 100% everytime. Although he has done singing in about ten different bars and cocktail lounges, he is a favorite in our local area.

He is presently singing along with a group name "Blue Smoke," at Connie's Bar, Morgan, N.J. on Sunday nights.

Some of his other interests are collecting oldie records, learning new songs and playing pool.

IDEAS PAY OFF



Pictured above is Jerry Fuchs, Robert Preston and Frank McGoff. Bob Preston is the first winner of the Mo-Ped in the Waste Suggestion Contest.

SOFT BALL NEWS

It looks like Dri-Print's Soft Ball team has finally put it all together. This year we will be represented on the Rahway soft ball diamonds, by a very good team. Some recent demonstrations of power have catapulted the team to late winning victories. The games are exciting and fan support is a must to insure a play-off birth this year.

FIRST PLACE AWARD

Pictured above is Emil Witzgall who was given a plaque by the GP's Babe Ruth Baseball Team for youths 13-15 yrs. old, in Guttenberg, N.J.

QUIZ ANSWERS

1) a. The last connection should be made at the car with dead battery. A battery in a running car will give off hydrogen gas and connecting a cable to it will cause a spark that could result in an explosion.

2) b. Car engines are designed to function under cold conditions and as long as you don't put the engine under an excessive load, like hard acceleration, you can drive away as soon as your oil pressure light goes out.

3) c. A pulling to the left or right when the brakes are applied could mean a malfunctioning wheel cylinder, worn linings, or it could also be an indication of a bad alignment.

4) b. Using unleaded gas in an older car eliminates lead deposits which actually protect your engines internal components from excessive heat. New car engines have incorporated modern alloys which withstand much higher temperatures without requiring any protection.

ARE YOU A GOOD OPERATOR???

by Henry Saginario, Jr.

DO YOU — start your machine up as quickly as possible in the morning, and at every "job change"?

DO YOU — keep your machine and your area clean?

DO YOU — watch your machine carefully throughout the day?

DO YOU — clean all the important rollers on the machine to ensure a better product?

DO YOU — take pride in your work?

and above all

DO YOU — remember your foreman at Christmas?

Except for the last reminder, these are some of the qualities we look for in a good operator, as far as your advancement. Do you measure up? I hope it helps you become a better operator.

NEW ENGLAND PUMPKIN "NO CRUST" PIE

3 eggs
2/3 cups brown sugar, firmly packed
3 Tablespoons butter or margarine
1 cup milk
1 cup solid pack pumpkin
1/3 cup biscuit mix
3/4 teaspoons ground cinnamon
3/4 cup granola

Preheat oven to 350°. Combine all ingredients except for granola in blender container; cover swirl at low speed for 3 minutes. Pour into well greased 9 inch pie plate; let stand for 5 minutes. Bake at 350° for 20 minutes; sprinkle top with granola and continue baking another 20 minutes or until center feels firm to the touch. Cool on wire rack. Serve warm or cold. Yields on 9-inch pie.

Note: If you don't have a blender, beat eggs and sugar with electric mixer until light; melt butter and beat in with milk and pumpkin. Add biscuit mix and cinnamon beat at medium high speed for 2 minutes.
